

## Hiking as a guest with SAHC

Hello -

Thanks for asking about the Southern Arizona Hiking Club. The SAHC has a guest membership program, which is outlined here.

A one-month Guest Membership is available for out-of-town visitors or others who wish to hike with the Southern Arizona Hiking Club for a limited time. Guest Membership dues are \$10.00, *payable online only* through the online application. Guest Membership will apply to one primary and one additional member only. The Guest Member will be issued a member number, and will receive a digital copy of one *Bulletin*, which will be emailed to the Guest Member and which will cover their visit to Tucson. An additional copy of *The Bulletin* may be sent at the discretion of the Club or when specific circumstances warrant.

If you are interested, simply click the link to get to the online application: [SAHC Online Membership Application](#).

Thanks again for your interest.
